The background of the slide is a dark grey rectangle. It is divided into four quadrants by a white cross, with each quadrant containing a portion of a Union Jack flag. The flags are oriented such that the top-left and bottom-right quadrants show the top-left and bottom-right corners of the flag, while the top-right and bottom-left quadrants show the top-right and bottom-left corners. The colors of the Union Jack (red, white, and blue) are clearly visible against the dark grey background.
